May 30, 2008

Dear Friend:

The David Jamieson Memorial Golf Tournament to support the fight against Amyloidosis will be held this year at the Hillview Country Club in North Reading, MA. We have made such a difference in the past three years and hope to count on your support once again!

Our primary goal is to raise funds for research and to provide awareness of Amyloidosis. Last year, your generosity yielded a total of \$38,000 which was given to Boston University Amyloid Research & Treatment Program, The Amyloid Support Network, Inc., Amyloidosis Support Groups, Inc., and The David Jamieson Memorial Scholarship Fund at North Reading High School. In just three years the golf tournament has raised over \$100,000!

Please join us on **Friday, September 19th** for the 4th Annual David Jamieson Memorial Golf Tournament and/or dinner to raise money towards ending this rare disease.

Thank you in advance.

Sincerely,

The Friends and Family of David Jamieson
